

SAUNAS

Two Attractive and Distinct Line-ups to Rejuvenate Body & Soul

To satisfy discerning styles and performance preferences in the healthiest way possible, we offer our modern Clearlight Sanctuary™ Full Spectrum Infrared models as well as our classically-crafted Clearlight Premier™ Far Infrared models. Each infrared sauna is well-appointed with state-of-the-art functionality that encompasses ease-of-use, the safest components and circuitry, highest quality of wood, non-toxic materials, along with the finest craftsmanship with a furniture quality finish.
